Dear Parent/Guardian,

**JOINTLY DEVELOPED**

The parents, students, and staff of the James R. Ludlow School, partnered together to develop this school-parent compact for achievement. Parents are encouraged to attend annual revision meetings held during the spring of each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the School Family Engagement survey that is also used as a tool to collect parent feedback regarding the current Title I programs, policies and family engagement.

To understand how working together can benefit your child, it is first important to understand the district’s and school’s goals for student academic achievement.

Professional Learning Communities are collegial teams who are united in their commitment to student learning. Five Professional Learning Communities have been established at Ludlow School. These communities are designed to focus on collaborative professional development by tapping into the knowledge and expertise that exists within our building. Each Professional Learning Community will embrace a shared vision and engage in a variety of activities, including but not limited to working and learning collaboratively, visiting and observing other classrooms, and participating in shared decision making. A facilitator has been assigned to each Professional Learning Community.

The MTSS compliments our academic program by ensuring that our students receive the instructional supports and interventions that are necessary to assist our students with obtaining higher levels of academic understanding. The MTSS collaborates to explore behavioral supports and attendance incentives for those students who need assistance in these areas.

MTSS is an approach to serving students identified as "at risk," meaning students not likely to succeed in an academic program without some additional intervention. MTSS is a three-leveled process that implements and evaluates these interventions. All students are in Level 1 as this is where good instruction lives. These interventions are for ALL students including those identified as having special needs. Students who exhibit struggles with academics, behavior, or attendance that are not addressed by Level 1 interventions can be moved to Levels 2 and 3 for more intensive interventions. Students with IEPs (Individualized Education Programs) must have their needs addressed through their IEPs. Therefore, students who have IEPs do not need to be placed in Levels 2 and 3. However, these students are not precluded from being offered Level 2 and 3 interventions.

The MTSS team will meet throughout the school year to monitor student progress and to discuss cases, which require Level 2 and 3 interventions. Although all members of our learning community serve as valuable members of our MTSS Team, the following individuals have been identified as a point of contact for their respective areas.
SAFETY TEAM
The Ludlow Safety Team collaborates to promote a positive school climate and works diligently to establish school wide routines and procedures that ensure a safe environment for all members of our learning community. The Safety Team examines data and develops initiatives to refine daily operations, to reduce suspensions, to improve facility conditions, and to promote daily and punctual attendance for our students. The Ludlow Safety Team consists of the following members.

**BASIC SCHOOL OPERATING PROCEDURES**

**ADMISSION AND DISMISSAL PROCEDURES**
To ensure a safe transition between home and school, admission and dismissal will be conducted in a structured and organized manner. It is essential that all staff members are present, alert, and conscientious during morning admission and
afternoon dismissal. All staff members are expected to adhere to the following policies and procedures.

**MORNING ADMISSION**

Students who arrive between 8:00 AM and 8:30 AM enter the school building through the South Side (Thompson Street) entrance. All students report directly to the cafeteria for breakfast.

**LATENESS PROCEDURES**

Students who arrive at 8:31 AM are considered late and enter the school building through the 6th Street Entrance. These students will be directed to the cafeteria for breakfast. Students who arrive after 8:31 AM will receive a late pass and will be directed to their classrooms. School personnel will be posted at the 6th Street Entrance for the purpose of receiving and directing late students. Students who report to school late (after 8:31 AM) will be given a late slip, which they will give to the receiving teacher upon reporting to class.

**DISMISSAL PROCEDURES**

All students will be dismissed at 3:09 PM. Kindergarten, 1st, and 2nd grade students will be dismissed through the north door by room 1. 6th, 7th, and 8th grade students will be dismissed through the Master Street entrance. 3rd, 4th, 5th and grade students will be dismissed through the South Side of the building into the schoolyard. Ludlow school does not provide after-school care. All students must be picked up by 3:09 p.m. Students who are not picked up on time will be escorted to the 26th Police District by a School Police for pick-up.

**VISITOR’S SCREENING PROCEDURES**

1. All visitors gain entrance through the 6th Street Entrance by ringing the bell.
2. A school employee or parent volunteer greets visitors upon entrance.
3. Visitors are asked to provide identification and sign our school log detailing the reason for their visit.
4. Each **visitor** is directed to go directly to the office, will be given a pass and directed to the appropriate location. In order to be approved for a visitor’s pass, the office staff will record the following information: **date, visitor’s name, time and reason for visit**.

5. For the **early release of a student**, the office staff will check the Emergency contact information and record the following: **date, student’s name, teacher’s name, time, adult’s name and adult’s signature**.

### STUDENT RESPONSIBILITIES

**STUDENTS ARE EXPECTED TO COME TO SCHOOL EVERYDAY ON TIME.**

**STUDENTS SHOULD BE PREPARED FOR ALL CLASSES WITH SUPPLIES, BOOKS, AND A RESPECTFUL ATTITUDE.**

**STUDENTS ARE EXPECTED TO ADHERE TO ALL PROCEDURES AND FOLLOW ALL DIRECTIONS.**

### LUDLOW CODE OF CONDUCT

The Ludlow Code of Conduct is designed to communicate in simple clear terms the commitment of our students to a common vision and expectation for student conduct. The Ludlow Code of Conduct will be implemented in all areas of school life.
Our Vision

To inspire, nurture, and educate the leaders of tomorrow; one lesson, one student, one day at a time.

UNIFORM POLICY

All students in grades K-8 will wear the school uniform:

- Khaki or Black Pants, Skirts, or Jumpers

**Student Attendance**

The policy of the School District of Philadelphia requires that school-aged students who are enrolled in the schools of this district attend school regularly, on time, and for the entire school day in accordance with the laws of the State of Pennsylvania.

**Policy Explanation:**

*The educational program offered by this School District of Philadelphia requires the presence of the student, continuity of the curriculum, and daily classroom participation.*

A note that is signed by a parent or guardian must be submitted to school after each absence within (3) days. The note must indicate the dates and reasons for the absence. Absences will be coded "unexcused" if a note is not provided by the parent or caregiver.

When a pupil is absent for three days due to illness, a written doctor’s note documenting the medical necessity for the absence must be brought to school unless the principal has verified the legitimacy of the absence through other means. When possible, a parent should contact the school if a pupil is to be absent
for several days.

Students are expected to make up any missed assignments that result from an illness or absence. Assignments that are not finished and submitted to the appropriate teacher may produce lower academic marks. Students are also responsible for making up missed assignments that result from suspension or other disciplinary consequence.

Unexcused lateness which causes a student to miss all or a substantial part of the day's instructional time may be coded as an unexcused absence.

**Computing and Internet Acceptable Use Policy**

**Access Rights and Privileges**

The School District of Philadelphia provides its students ("users") with access to computing equipment, systems and local network functions such as the Internet. This access is limited to educational purposes. It is highly recommended that parents/caregivers review with their children the District’s AUP in its entirety (http://www.phila.k12.pa.us/aup/).

The School District has the right to place reasonable restrictions on the use of equipment, resources, and material that students and employees access or post through the system. Students are also expected to follow the rules set forth in the District's rules and regulations governing conduct, disciplinary code, and the law in their use of the District's equipment and network. This access has not been established as a public access service or a public forum. All access and rights are privileges granted by the District and users should expect no privacy rights.

Students will have access to the Internet through the District's private network. Parents may specifically request that their children not be provided such access by notifying the District in writing.
The School Reform Commission (SRC) charges each student with responsibility for the proper care and use of all school district property, including textbooks, supplies, and equipment. Schools shall require students and/or parents to sign a compact acknowledging their responsibility for the care, maintenance, and timely return of all textbooks.

Students and/or their parents will be assessed penalties for lost or damaged textbooks. Imposition of one or more of the following penalties is permitted: a charge for replacement of the textbook; requiring the student to perform a prescribed number of hours of school service; withholding of a report card; and/or loss of privileges such as participation in sports or other extracurricular activities, proms and other special events, or graduation/promotion related activities. The Parent Compact letter below delineates parent and student responsibility for textbooks.

Please read, sign, and return the Textbook Compact Letter on the next page.
TEXTBOOK COMPACT LETTER TO PARENTS

September 1, 2019

Dear Parent(s) and/or Guardian(s):

On July 12, 1999, the School Board adopted an expanded textbook policy charging that each student is responsible for the proper care of school property including textbooks, supplies, and equipment entrusted to his/her use.

The policy also states that students are required to return books and school property on time. Students and their parents will be assessed for lost and damaged books.

One or more of the following penalties may occur:

- A charge may be applied for item replacement.
- Student may be required to perform a prescribed number of hours of school service.
- The school may withhold report cards.
- Student may incur the loss of privileges such as participation in sports or other extracurricular activities, proms and other special events, or graduation/promotion related activities.

We have reviewed the School District policy on the care of school property. We will be responsible for the care and prompt return of school property.

To promote the professional growth of instructional staff, families should be aware that the district has designated specific days during the school year for professional development. The District recognizes that early dismissals or full days devoted to professional growth may be a hardship on working families. It is our hope that families understand that promoting continued professional growth is necessary to ensure our students receive a high quality educational experience.

Instruction

Parents and students are encouraged to visit the Pennsylvania Department of Education’s website at: www.pde.state.pa.us to explore state standards as well as the instructional expectations for specific grade levels.

Emergency Closing of Schools

Full Day Closing - If the School District of Philadelphia has reason not to open schools, every attempt will be made to have information regarding the citywide closing of schools on the air by 5:00 AM. When public schools are closed, no transportation will be provided for Philadelphia pupils attending non-public schools.

Early Dismissal - If inclement weather or any other emergency leads to a decision to close a school prior to regular dismissal time, every effort will be made to broadcast the information on KYW radio and television by 11:00 AM. If the decision is made to close the schools during the afternoon, but before the regular dismissal time, every effort will be made to have the information broadcasted by 1:00 PM.

Please make sure we have your correct phone in the main office. In the interest of the student, it is critical that the school be able to contact parents at ANYTIME the child is at school. Therefore, it is essential we have on file the parents’ current address and home telephone numbers as well as cell phone numbers. Emergency contacts with telephone numbers are needed in case a parent cannot be reached. In the event a child will be picked up by a person not listed on the emergency contact then please inform the office immediately. The child will only be released to those named on the emergency contact. They will be required to present picture identification and sign out the student. Thank you!
EXTRACURRICULAR ACTIVITIES AND SPORTS
ELIGIBILITY STANDARDS FOR K-8 ATHLETICS

According to school district policy, student participation in all extracurricular activities is contingent upon the student’s academic, attendance, citizenship, and behavioral record.

Academic Standards

Any student who fails two or more subjects which met five (5) periods a week is ineligible for participation in sports or extracurricular activities.

Attendance Standards

Absence from school on the day of an extracurricular activity will result in the student’s ineligibility to participate in that event or activity. **Three or more unexcused absences during a report card period make a student ineligible for extracurricular activities for the remainder of that report period and the next report card period.** Cuts are deemed to be absences from school for the purposes of athletic and extracurricular eligibility. The terms “sports” and “extracurricular activities” shall include all athletic programs, theater, school band, school orchestra, school chorus, art competitions, student government, yearbook, school newspaper, and all school clubs.

FOOD SERVICES FOR STUDENTS

The Division of Food Services is proud to be a part of the education process. National statistics confirm that eating a healthy breakfast contributes to greater alertness, fewer absences, and higher energy levels. According to the National School Lunch Program, breakfast contributes to one fourth of the Recommended Daily Allowances and lunch contributes one third of the Recommended Daily Allowances. The Division of Food Services believes that by participating in the school meal program, students are better prepared to learn.

It is the mission of the Division of Food Services to contribute to the general well being, mental and physical capacity, and learning ability of each student and afford them the opportunity to fully participate in the education process.
Ludlow School believes that healthier students are better learners. Ludlow is dedicated to being a healthy school and following the School District of Philadelphia’s Wellness Policy. We invite you and your family to participate in our campaign to improve the health of our students and staff by supporting our goals, which include:

- Increase healthy foods
- Decrease unhealthy foods
- Increase movement and exercise
- Fast food may not be brought into school.

Your child’s classroom teacher will provide more information about how to participate and how to support our efforts.

### Homework

Homework is an essential component of our instructional program. Teachers assign homework as a means for students to practice and review class lessons, to prepare students for the upcoming lessons, to promote independence, and to promote the use of educational resources, including but not limited to dictionaries, encyclopedias, libraries and the Internet. As a parent, you can help your child learn at home in the following ways:

- Implement a consistent time and designate a quiet place for your child to work.
- Eliminate distractions such as television, radio, and other loud noises.
- Assist your child with organizing their materials including pens, pencils, erasers, calculator, paper, books, and highlighters.
- Make a homework calendar. Have your child list all assignment due dates.
- If your child is having trouble with homework, talk to their teacher(s) about the assignments.
- Request feedback from your child’s teacher(s).

### Safety Tips

Office of School Climate and Safety

HELP KEEP YOUR CHILD SAFE EACH DAY!

Know your school contact information.

School Phone Number: 215-400-7340
Principal: Khary Moody
Secretary: Charmaine Cox
Remember to **update your child's contact information with your child’s teacher** and in the main office. It is essential the school have on file parents’ current address and home telephone numbers as well as cell phone numbers. **Emergency contacts with telephone numbers are needed in case a parent cannot be reached.**

Present Address and Phone Number  
Emergency Contact's Name and Number  
Medical Information  

**Other Safety Tips**  
- Connect with other parents to institute a buddy system to ensure safe travel between home and school.  
- Remind your child(ren) to avoid strangers.  
- Direct your child(ren) to use a route that is known to parents. Avoid desolate areas.  
- Direct your child(ren) to go directly to school and to their after-school destinations.  
- Avoid writing your child's name on the outside of backpacks and/or accessories. This practice will help to ensure that strangers do not call your child by his/her name.  
- Ensure your child(ren) knows their full name and telephone number.  
- Teach your child his/her teacher's name and room number.  
- Encourage children to listen to all school staff.  

In extreme emergencies, ALL children will remain in school until school officials, Philadelphia Police, and/or the Fire Department secure student safety. To ensure the safety of all, no one will be allowed in and no one will be allowed out! Please watch local news and listen to KYW 1060 for further details. PROPER PHOTO ID will be required to pick-up your child.

**Emergency Practices**  
- Lock Down & Stay Down  
- Shelter in Place (No one in, No one out)  
- Fire Drill
### IMMUNIZATIONS

All pupils must be completely immunized or exempted before admission to any public, parochial, or private school in Pennsylvania. This mandate is required by the Pennsylvania Department of Health, the Philadelphia County Board of Health, and the School District of Philadelphia to protect pupils from preventable communicable diseases and their medical and educational complications.

There are two exemptions to the Immunization Requirements.

- **Religious Exemption** – Pupils need not be immunized if the parent or guardian objects in writing to the immunization on religious/ethical grounds.
- **Medical Exemption** – Pupils need not be immunized if a physician or his designee provides a written statement that immunization may be detrimental to the health of the child. When the physician determines that immunization is no longer detrimental to the health of the child, the medical exemption ceases to be valid and the child must be immunized.
School Health Services

School Health Services personnel will perform/conduct vision screenings on all children every year, growth screenings every other year, hearing screenings in kindergarten and grades 1, 2, 3, 6 and 9, and scoliosis screenings in grades 6 and 7.

Physical examinations and health histories are required upon entry to school and again in grades 6 and 9. Parents are expected to have these examinations performed by their primary health care providers. Your family doctor is the best person to perform this checkup and provide all necessary health care. If you would like help in finding a family doctor, clinic, specialist, or if you have other concerns about your child’s health, please contact the school nurse. In some instances, a school nurse practitioner or school physician will conduct the examination in accordance with the guidelines of the American Academy of Pediatrics, which requires the child to be unclothed. Genitalia may be examined at the time of the physical. Parents are invited and urged to be present.

Dental examinations are required for kindergarten and grades 3 and 7. Parents are expected to have these examinations completed by their family dentist. Also, dental hygiene and nutrition education is taught in elementary grades by health education staff.

The school nurse also can help you with information about health insurance. There are free and low-cost insurance plans for which your family may qualify. There is no reason for any child in Philadelphia to be without health care.

Prescription and Non-prescription Medication in School

Parents who wish to have prescription medication dispensed to their child(ren) during school hours should obtain a “Request for Administration of Medication” (Form MED-1) from the school nurse. This form must be filled out and signed by the child’s doctor as well as the parent and/or guardian. When the school nurse is not in the school, other staff members who have been trained by the nurse may give the medication under the guidelines established by the School District of Philadelphia.

If your child has any health problems or is taking prescription medication for any reason, even if the medication is not taken in school, it is important for you to inform the school nurse. Several medications have side effects that impact school performance for children. Over-the-counter and short-term medications may not be sent to school with your child(ren) without a physician’s prescription and a note from the parent.

Possession of medication without authorization by the school nurse will result in disciplinary action. The sharing of medication with another student will be deemed an aggravated offense under the Code of Student Conduct.
CHILD ABUSE AND NEGLECT

It is the policy of the School Reform Commission of the School District of Philadelphia that all of its employees are to be aware of, and comply with, the Child Protective Services Law of the Commonwealth of Pennsylvania. **This law makes it mandatory for School District employees to report suspected cases of child abuse and/or neglect to building administrator who is obligated to file a report with the Department of Human Services.** Compliance with the laws of Pennsylvania and the policies of the School District will serve to protect all involved parties.

HOMELESS, SHELTER, AND EMERGENCY SERVICES

Homeless children have the right to go to school. The School District’s Homeless Children’s Initiative works to remove any barriers that prevent homeless children from being successful in school. A child whose family becomes homeless may remain in their current school or may transfer to another school if it is closer to the shelter. The receiving school should not prevent or delay the enrollment of a homeless child by requiring proof of residency, immunization, or medical records. SEPTA tokens may be provided for homeless students living more than one mile from school. The Office of Specialized Services will also provide uniform and clothing assistance to these students.

Emergency funds may also be available to students who are experiencing crisis. We do not give emergency funds to families. Only students who attend our schools are eligible. To be eligible for emergency funds, a student must be enrolled in a Philadelphia public school (grades 1-12) and demonstrate an emergency financial demand that is a result of a sudden hardship or major event that negatively impacts the student’s family such as:

- Loss or Death of Family Members
- Loss of Home
- Fire or other Damage to Personal Property
- Illness of a Family Member
- Loss of income
- Theft
The Office of Student Placement supports the provisions of the School District of Philadelphia’s Educational Options Program by offering parents and students a wide array of educational opportunities that support academic achievement. All students, including ESOL/English Language Learners (ELL) and/or students with disabilities may request transfers from their neighborhood school via the No Child Left Behind Act of 2001 (NCLB) School Choice program or the School District’s regular Pupil Transfer program. Educational options include the Desegregation Program schools, other elementary, middle or high schools/programs of choice outside of the neighborhood attendance area, and Special Admission (middle and high) schools.

Parents of students enrolled in School Improvement and/or Persistently Dangerous schools may apply for a transfer under the NCLB School Choice Process. To apply for a transfer under NCLB, students must be eligible to participate. The School District will notify parents of each eligible student and provide a list of School District Public Schools that are not in School Improvement and/or identified as Persistently Dangerous. The School District of Philadelphia will announce the School Choice Application timeline in the fall of each school year.

To apply to School District Public Schools not in School Improvement, parents must apply within the appropriate time frame and use the School Choice Request for Transfer (Form EH-35C). Students selected in the School Choice transfer process will be placed in schools the following September. To apply for a transfer out of a school identified as persistently dangerous, use Pupil Transfer Request for Extenuating Circumstances (Form EH-36E). The EH-36E application may be submitted throughout the school year and if approved, the transfer will occur within the current school year.

Voluntary Transfer Programs
Parents may file transfer applications for children to attend schools of choice in the voluntary Desegregation Program, other elementary, middle or high schools/programs outside of the neighborhood attendance area, and special admission (middle and high) schools. Parents must apply within the appropriate time frame: between the first day of October and the third Friday of November of
the current school year, for placement in schools the following September. All applications must be received by the application deadline.

*Use Pupil Transfer Request Form (EH-36)* to apply to schools in the voluntary Desegregation Program or other elementary/middle schools within the School District. A computerized student assignment lottery process selects students for admission.

*Use the Application for Admission Form (EH-38)* to apply to special admission middle schools/programs: Conwell Middle School, Girard Academic Music Program (G.A.M.P.), Grover Washington Music Magnet Program, or Masterman Middle School. Selection is based on the student’s ability to meet each school’s own set of admissions criteria related to attendance, punctuality, behavior, grades and standardized test scores. Admission decisions are made by a selection committee from each special admission middle school.

**High School Admission Transfer Application Process**

*Use the High School Admission Form and Pupil Data Transcript* to apply to Neighborhood High Schools/Programs, Criteria-Based High School Programs, Criteria-Based Area Vocational Technical Schools, and Special Admission High Schools. Selection of students for admission:

1) **Open Admission High Schools** - Students are selected randomly by a computerized lottery process.

2) **Criteria-Based High Schools/Programs** - Students must meet standardized admissions criteria related to attendance, punctuality, behavior, and grades. Qualifying students are placed in the lottery and selected randomly by a computerized process.

3) **Special Admission High Schools** - Selection is based on the student’s ability to meet each school’s own set of admissions criteria related to attendance, punctuality, behavior, grades and standardized test scores. Admission decisions are made by a selection committee from each Special Admission High School.

**STUDENT RIGHTS AND RESPONSIBILITIES**

**Freedom of Expression**

Students have the right to express themselves unless the expression interferes with the education program, threatens immediate harm to the welfare of the school or community, encourages unlawful activity, takes away another individual’s lawful rights or undermines the school’s basic educational mission.
Students have the responsibility to obey laws governing character attack. Students have the responsibility to be aware of the feelings and opinions of others and to give others a fair opportunity to express their views. Students may not engage in harassment, as defined in the Code of Student Conduct, nor may they communicate threats to the safety or welfare of any member of the school community or their property.

School officials may name the time and place of distribution of materials so that distribution shall not interfere with the operation of the school. A proper time and place set for distribution is one that would give the students the opportunity to reach fellow students. The place of the activity should permit the normal flow of traffic within the school and at exterior doors.

**School Newspapers and Publications**

School newspapers and publications shall comply with the following guidelines. Students have a right to report the news and to comment within the provisions of this section and the Review Procedures, which follow. School officials shall supervise student newspapers published with school equipment and remove obscene or other material that would cause a disruption of, or interference with, school activities. School officials may not remove or limit material simply because it is critical of the school or its administration. Students who are not members of the newspaper staff shall have the opportunity to submit material for publication. Written rules for submission of material by non-staff members shall be developed and distributed to all students.

The student editor of such a publication shall submit all written and photographic copy to the faculty advisor for inspection. Where no editor is involved, the author shall submit the material to the advisor. The advisor shall submit to the principal any copy, which s/he has reason to believe may violate a publication rule. If the principal agrees that the copy violates a publication rule, the principal shall send the copy along with the reason(s) for the objection, to the General Counsel and to the Chief Academic Officer. At the same time, the principal must inform the student editor of her/his objections to the article.

As part of the decision process, the student editor shall be given an opportunity, either orally or in writing, whichever is found most convenient by school authorities, to present her/his views to the principal and to the General Counsel, and to offer suggestions for changes or to eliminate the objections. The Chief Academic Officer shall decide the question of publication within 10 school days.
The General Counsel shall also advise the Chief Academic Officer regarding the legality of the publication.

In order to prevent publication, the principal must advise the student editor within 48 hours from receipt of the article by the principal. The student editor may fill the space originally intended for rejected copy with the following statement: “The article which was to have appeared in this space was removed according to the provisions of Publications Review Procedure of the Student and Family Handbook.”

Students shall be free to distribute handbills, flyers and other printed material and to collect signatures on petitions concerning either school or out-of-school issues, whether such materials are produced within or outside the school. However, such distribution is subject to the review. If limitation on the time of distribution is necessary to prevent interference with the school program, the time of such activity shall be limited to periods before school begins, during lunch, and after dismissal. The place of such activity shall permit the normal flow of traffic within the school and at outside doors. The manner of conducting such activity shall be limited to prevent loud noise or to prevent the use of coercion in obtaining signatures on petitions. The danger of littering is not a reason for limiting the right of students to distribute printed material.

The school shall require that all printed matter and petitions distributed or circulated on school property bear the name of the sponsoring school organization and the name of a responsible person of such organization. In the case of petitions presented by students to the school authorities, students shall have the right to have their petitions considered and to receive an official reply.

**Buttons and Badges**

The wearing of buttons, badges, or armbands bearing slogans or sayings shall be permitted as another form of expression, unless the message falls within the limits described in other sections.

**Violations**

Where a student fails to follow the policies and procedures set forth herein, and the material distributed contains obscene, defamatory, or offensive language, encourages illegal actions, undermines the basic educational mission of the school, or results in interference with the educational program, suspension, transfer, or
expulsion may result depending on the severity of the violation.

**Meetings**
Open meetings are encouraged to provide students with the opportunity to speak or hear others speak on topics of general interest. Classrooms, school assemblies, and extracurricular organization meetings are some appropriate settings for the oral exchange of ideas. Guidelines for the use of such forums should be developed by the administration consistent with published Commission Policies and made available to students and teachers. Guidelines shall prohibit violation of attendance regulations; obscenity; inflammatory language; inciting students to riot or other illegal conduct; endangering the health or safety of members of the school community; or disrupting the educational process.

In imposing limits on student expression for any reason under any of the foregoing provisions, the school must make certain that its rules are applied on an equal basis and in a manner to assure maximum freedom of expression to the students. The school shall particularly avoid any action placing limits on ideas prior to their expression. Any student or student groups deprived of freedom of expression under any of these provisions shall have the right to enter a grievance to determine whether such limits are justified under these rules.

<th>TITLE I PROGRAM</th>
</tr>
</thead>
</table>

The No Child Left Behind Act of 2001 (NCLB) mandates that schools give information to parents/caregivers regarding:
- The achievement of their children;
- The choices they can make about their children’s education;
- The performance of their schools; and
- Information regarding their children’s teachers.

**Highly Qualified Staff**
NCLB requires principals to notify parents of their right to request information. Notices will be sent out in September regarding the qualifications of teachers who are not identified as highly qualified. Parents will also be notified, if a child is being taught for four consecutive weeks, by a teacher who is not identified as highly qualified. These notices will be sent out at the end of September and at regular intervals if students are being taught by a substitute who is not highly qualified.
Parent Involvement Policy
NCLB requires that all schools receiving Title I funds develop a written parental involvement in conjunction with parents. A copy of the School District of Philadelphia Parental Involvement Policy, as well as the individual School Parental Involvement Policies, will be sent out to parents in September. The District Policy will be available in different languages.

School Parent Compacts
NCLB requires that each school have a School Parent Compact. The purpose of the compact is to define the respective responsibilities of school staff, parents, and students in the educational process. The compact must describe the school’s responsibilities for providing a high-quality curriculum in a supportive and effective learning environment and also the ways that parents will support their child(ren)’s learning. The compact is sent out to parents in September and is available in different languages.

| SCHOOL BUS RULES |

Be at the bus stop ten minutes early. You should not run to board the bus. Wait for the bus in an orderly fashion in your assigned area. Pushing, shoving, or creating a disturbance might result in injuries. Take your seat immediately. Remain seated while the bus is moving or when instructed to do so by the bus driver or other authorized individual(s) assigned for that purpose. Enter and leave the bus only at the front door and only after the bus has come to a full stop. In case of emergency, you may be given other instructions. Keep your head and arms inside the bus windows at all times. Throwing objects, no matter how small, is extremely dangerous. Save your lunch and snacks until you arrive at your destination. Eating and drinking are not allowed on school buses. Avoid shouting and other loud noises. In addition to disturbing others, loud noises could distract the driver and cause unsafe operation of the bus. Leave the bus in a quiet and orderly manner. Join your schoolmates in the cafeteria or go directly to class if school has begun. Be very careful when crossing streets. Be sure that you look in both directions. Pay attention to the instructions of the bus driver or other authorized individuals. They are responsible adults who are concerned about your safety.

Please understand that students who violate these rules may lose their riding privileges for a period of time, or permanently. In the event that a student is removed from a bus, it will be the responsibility of the parents to make
provisions for transporting their child to and from school. Parents are also reminded that under Pennsylvania State Law they are not permitted to board a school bus without permission.

**TRESPASSING ON SCHOOL DISTRICT PREMISES**

The Trespassing Ordinance, Philadelphia Code of Ordinances, Chapter 10-824, was passed by City Council to prevent unauthorized entry on school premises.

The provisions of the ordinance are as follows:

- **No one may enter any facility of the School District of Philadelphia without the consent of the person in charge of the facility.**
- Failure to obtain consent within fifteen minutes of entering any facility or the creation of a disturbance may be considered a violation of the ordinance.
